HOPE'S[®]
Windows, Inc.

Select your color

Hope's Windows sets the bar for product performance by partnering with PPG Industries, the world leaders in coating technology. This alliance enables Hope's Windows to provide a finishing system that offers color, corrosion resistance and durability for our custom steel windows and doors.

Work with our team to create a custom color or choose a color from this palette. Either way, you get Hope's custom steel windows and doors with the beauty and endurance of tough, weather fighting coatings from PPG Industries.

- » Select color(s) from this electronic brochure.

Note: Standard colors are included in price. Premium metallic and flat colors incur additional cost. Metallic colors are not available for correctional products.

Digital color samples are as close as possible to actual paint colors within the limitations of on-screen reproduction. Monitor/screen type, settings, and resolution may affect color representation.

- » Hope's will provide physical color chip(s) for final approval.
- » Custom color matching is available upon request.

The Strength. The Versatility. The *Artistry* of Steel.
with PPG color!
